In my opinion a hot date can be compared to a great workout session: First you have the warm up phase, to prepare your body and mind for what comes next. For us that could be getting to know each other over a nice glass of wine and

light dinner, while we are slowly building up the sexual tension, getting hotter and hotter, until neither of us can deny that we are ready for the real action. That's when you know you're going to have me!

I like to stay in top physical condition. Why? Because of cocks like this. I can take really big cocks and enjoy them. Many of my girlfriends find them too much to deal with. They just can't handle the length. It hurts when it goes all the way in, they say. I say, bring it on and put it in!

To the editors,

I know that I shouldn't be writing letters when I'm bored, but today was extra boring. I'm a single 55-year old man with no wife and boring cats. I happened to have a couple back issues of your magazine and pulled them out to pass some time. As I was looking at them, it occurred to me that quite a few of the ladies were getting fucked in the ass.

I only had anal sex once in the Seventies with a hairy lass from Berkeley. The remaining years of my lovemaking were pretty vanilla. Where are these ladies coming from? I'm sure they all don't live in Los Angeles. Or maybe they do. I'm lucky to even get head from the ladies I am with.

Yeah, it's pretty easy to get them into the sack, since most are over fifty anyway, but once they're in, they are usually pretty tame. They'll give up the pussy and they like getting licked, but having sex on their backs, but anything more? Rarely. Oh well, guess that does it for me.

— Charles, Raleigh, VA

Dear Editor,

Last week I saw your **50+** issue with Chennin Blanc on the cover at my friend's house. It was on his coffee table right there with his travel and fix-it magazines. I thought it a little odd since he is only in his late thirties. I asked him about it and he said his father had brought it over because his mom didn't want that stuff in the house. We laughed. He said he looked through it and was amazed at what he saw. He said the women were spectacular and the sex they were having was hotter than the sex he was having. Me too, I agreed. I grabbed it and started thumbing through the pages and I saw what he meant. They are hot! Then I noticed that the women were also on video on the web. Very cool!

— Allen, Santa Monica

Dear 50+,

This past summer my husband was away at work almost every day. I didn't see him sometimes until after 9 pm and no matter how much I pleaded for him to get home earlier, it just didn't happen as often as it should. One Thursday afternoon our neighbor was helping me pack up some boxes in the garage, and my horniness was getting the best of me. This being a hot summer day, he was shirtless and wearing thin sports slacks.

His pecks were fabulous and I had on a pair of tiny white cotton shorts that were a size too small, fitting my ass rather tightly. My camel toe was very pronounced and very wet and hot! The thin white v-neck t-shirt rubbed against my nipples making them quite pronounced. Our eyes were teasing each other and I felt all queasy inside. He could read my mind. It was not difficult; my nipples were as hard as rocks and clearly visible through the top. His eyes were moving back and forth from my boobs to the camel toe and back. I could also see that his

bulge was getting bigger. Suddenly, our small talk got quieter and definitely hotter. "Maybe I'm being a little too bold," he said. "You're too beautiful, and I don't think I should be looking at you like this."

"Oh, I don't mind," I said, almost in a whisper.

Then he says, "I hope I haven't made you too uncomfortable." I touched his arm and told him I actually found it very nice. It has been a while since any man has looked at me

getting many boxes filled." he said as he touched my hair. He was slow to move away. I took a half step closer to him and caught his hand. I decided to get bold and make a move. I do not know where I got the nerve to be this bold as I had never been before with any other man than my husband.

I sensed him become a little tense as I grabbed his arm and put it on my hips. He looked over at me and I smiled. My hand slid slowly up to his crotch

massive. He then placed both hands on my face and brought my lips to his. I told him what we can't do anything here and in no time flat we were in my bedroom naked with him parting my legs and licking my shaved pussy. He licked me from my clit to my ass. He went back to the front, and gently lapped at it, then eagerly sucked on my pulsing clit.

I arched my back as I felt his tongue slip between the folds of my labia, and then thought I would nearly

button. Suddenly the tips of his fingers found my g-spot. From the excitement of it, my hips were bucking and pressing against his mouth. Before I knew it, I had cum against his mouth. From the ecstasy, my legs were in an involuntary spasm and I was cumming and groaning for more.

I finally managed to calm down enough to tell him I was ready to suck his cock so he got on his knees in front of me. His cock was right in front of my mouth. I took just the head in and looked down the shaft. I figured it had to be at least eight long inches. It was uncut and rippled with large veins.

I tightened my grip around his cock and rubbed its length up and down closing my hand around it and pulling his foreskin back and forth. Now, I was desperate to taste it some more so I lowered my head and slipped my tongue up the length and around the tip. A gentle groan came from his lips.

Encouraged I looked up into his eyes and deliberately and slowly opened my lips and took the entire length of his cock in my mouth. His eyes closed in ecstasy as I continued to

that way. "Well, standing here flirting with my sexy feminine neighbor isn't

and gently squeezed his cock through his pants. I could see his bulge was

explode when he put two fingers into my wet hole, circling and licking at my

take as much of hard cock into my mouth as I could. I felt his hand on my head as he pulled my head closer to take his cock deeper still. I loved the taste of his slimy pre-cum leaking from the tip onto my lips.

His cock was not enough for my ravenous mouth. I started sucking, licking and teasing his swollen balls. Taking each of his heavy, hairy balls in my mouth and in turn teasing them with my tongue before returning to his shaft and tickling the throbbing veins on the underside of his still rock-hard cock, then taking him inside my mouth as deep as I could.

I realized that I was groaning and moaning in pleasure as his fingers were squeezing and twisting my nipples. I sensed that he was as hard as he could get. I took my mouth off his dick and whispered that I was ready to get fucked again. He did not need any more encouragement. Then, in one strong movement his arms pushed me onto my back. He placed his arms behind my knees and my legs on his shoulders.

Now was the time. I braced myself as he was going to take me completely and deeply. He kissed me and I felt the head of his unsheathed cock at my pussy

hole as he pressed into me. He entered me slowly and I cried out, arching my back. He drove into me and made me feel like a virgin. I was gasping at the intense pleasure and pain of his fullness.

With each stroke he went in further until he was fully inside me, stretching me beyond anything I've ever known! Finally he was fully lodged deep in my pussy. I breathed softly as he filled me and clamped my pussy muscles tight around the thickness of his cock. I felt his body tense as I grasped the length of his cock with my pussy.

We didn't move for over a minute just enjoying the sheer physical pleasure of him being inside me. I squeezed him in a rhythmic cycle. A big cock stretching me is quite a

turn on, but his cock, was meant to be enjoyed. My passion was replaced by the sheer sensual pleasure of sex. I put my hand down there again and I gently rubbed his shaft as he was moving inside.

Then with my finger that was wet in our juices I rhythmically rubbed my clit. My arousal was complete with uncontrolled moaning. He started to pound me so fast and hard that I came in buckets! I heard myself screaming for him to fuck me harder. I had never said anything like that before. He seemed to fuck me for hours and I came more times than I could count.

The sheets were soaked with our sweat and our juices. I could tell he was finally about to cum, as he strained against me.

He buried his cock in me as far as it would go and flooded me with his cum. As he collapsed on top of me I could feel the seed leaking out, down my ass. I held him inside of me and simply enjoyed the feeling of his cock.

As we caught our breath and kissed he withdrew ever so slowly. That's when I became aware that we were not alone in the room. My husband had come home and watched us quietly.

Once I got my head on straight, I could have sex with as many men as I wanted to without feeling any guilt. I did not know the power of the pussy until I was alone again and gained my sexual composure. I do admit that the guys I've met in this business have, for the most part, been great. Great to have sex with, and great to have a beer with. Sometimes though, too many beers lead to too much sex. But I'm not complaining.

We like to look at life as a great gift filled with uncountable possibilities and the world as a place full of opportunities for development. Especially the broad spectrum of sexuality,

Lana Phoenix & Natasha Skinski

sensuality and eroticism fascinates and attracts us. As in many areas of life, we're also constantly on the search for new challenges and experiences, like eating pussy and fucking with big strap ons.

The economy has become so bad that wives are having sex with their husbands because they can't afford batteries.

I don't think I was ready for what I saw

who would have thought adult parties can be fun

NOW I HAVE A BETTER UNDERSTANDING OF WHY LADIES LIKE THEIR TOYS

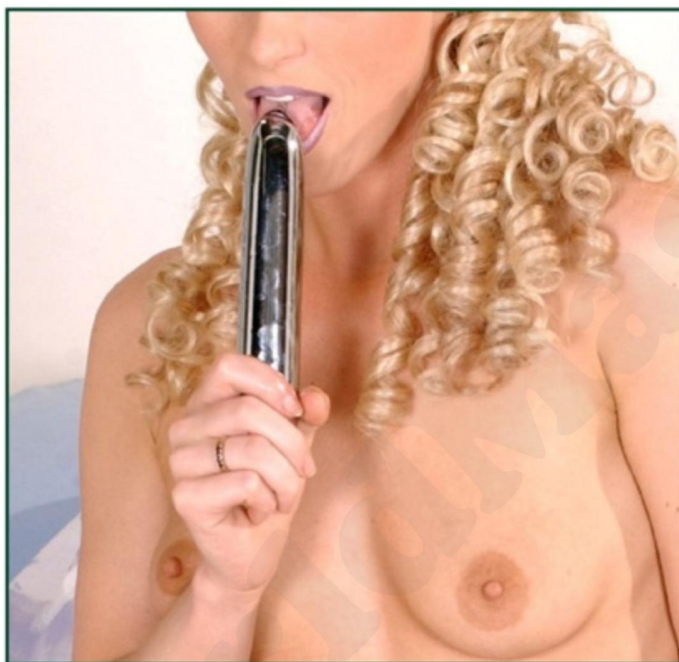

A couple weeks ago I got a call at the office from my wife Monica, who told me her best friend in Boston was throwing an intimate party a couple days before another friend's wedding. She wanted me to take Friday off so we could drive up and be there. Reluctantly I agreed because I'd be missing the Giants game but thought maybe I could get in to see the Patriots play while the ladies were merry-making.

So Friday rolls around and we head up I-95 from Queens to Boston. Monica was excited to see Rachelle again. It had been over a year but they talk on the phone at least three to four times a week. Monica and I arrived at her house after a leisurely four hour drive and noticed several cars in front of her house. I rang the bell and Rachelle answers. The two hug for almost a minute and then I get a warm kiss on the cheek and fingers through my hair telling me I had gotten whiter since she last saw me. When we went in, there were two couples that I didn't know and

a few other ladies sitting around the living room, sipping drinks and laughing. Rachelle introduced Monica to everyone and Monica as I sat down on the only available chair. Monica sat on my lap and we joined in on the conversations and merriment.

I looked around the living room and suddenly noticed laid out all across the coffee table were what looked like adult toys and sexy lingerie. This must

be how they're throwing the engagement party for Lorraine and Harry, one of the couples there. I had heard of these types of parties but had never been to one before.

Arranged on the table and tucked into corners of the sofa and chairs were various vibrators, oils and lingerie. Some were still in boxes and others had been opened and were being passed around with great amusement.

One of the ladies held up a big pink dildo and said, "This looks like one I would like," and then added, "but I'd rather have someone use it on me instead." Monica stretched out her hand and took

Monica and I were both very turned on and we got quickly showered, undressed and jumped into bed. I licked and kissed her body all over and then slid down to suck on her pussy.

it from the lady and studied it for a moment and then looked at Rachelle and said "Don't you wish you had a man who had something like this?" Everyone laughed except Rachelle who I could sense was a bit embarrassed. Monica then lifted the dildo up toward her mouth and said, "I would start by doing this." And she started to seductively and gently lick it.

I pinched Monica and whispered for her to stop teasing but then Rachelle shouts out, "Come on Mon, show us how you do it!" There was more

base of dildo on the edge of the coffee table. Then she got down on her knees and started to suck on it up and down. Everyone was getting a bit carried away by now and they were encouraging Monica to go wild on the big, pink life-like dildo. Monica continued to suck, using the same technique she always used on me. I looked around the room and everyone seem to be into her.

Then Monica looked up at Rachelle and reached out with her hand, "Come here you." Rachelle just sat there with this look of shock on her face, but I think all of us were even more shocked when she actually got off the couch and got down on her knees next to Monica. Monica moved down and licked on the ball sack and the two of them worked on it like a team of porn stars trying for a cock-sucking award. Everyone was pretty quiet now watching the show and I'm sure the four of us guys were stiff as hell watching. Rachelle was a little more conservative than the others but there she was showing off her skills. I sat there wondering where, or on who, she learned to do that. She played the stand-offish woman, but was probably a little slut under it all.

The night wound down and people collected their things as midnight approached. Rachelle stood by the door talking with Monica for a few minutes and then reached in a bag and handed the pink dildo to Monica. As we left, Rachelle closed the door, giving her a big thumbs up, and said she'd see us tomorrow.

We drove back to our hotel and almost ran to the room. Monica and I were both very turned on and we got quickly showered, undressed and jumped into bed. I licked and kissed her body all over and then slid down to suck on her pussy. I handed her the dildo and looked up to watch her sucking on it. It was so hot seeing her take it in and out of her mouth while I tongued her pussy. I moved up onto my knees and slid my cock into her, all the time she was sucking and slurping on the dildo

laughing and that was all the encouragement Monica needed. She started to push the pink dildo into her mouth and suck on the head. I could see the dildo up close now. It had realistic looking veins up and down the shaft and a perfect mushroom top on the head. Even the balls hanging from the base of the shaft looked realistic, minus the hair, of course. I wanted to stop her but was also kind of turned on watching her perform for the group. I looked over at Rachelle and she just smiled and shook her head like she couldn't believe it.

Everyone seemed to be having fun with it so I just watched as Monica stood up and propped up the

in earnest. I pushed my cock in and out of her and eventually had to pull out since I felt like I was going to blow my load any second. I took the dildo away from her mouth and gripped the base of it and slowly worked it into her pussy. It was definitely bigger than me.

I watched it disappear into her as I leaned down and licked her clit while pushing it in and out slowly. Monica squirmed and wiggled as I continued to play with her. She then let out a little squeal and came hard as I pushed it deep into her. I slowed down for a moment and then started on her again. Then I pushed her over onto her stomach with the dildo deep inside her and started to run my tongue all over her sweet tight asshole. I darted my tongue in and out and got her sloppy wet. I got next to her and pressed the head of my cock against her moist anus. When I finally was fully into her little brown hole, I pulled her over and onto me. I was lying on my back now and she was lying with her back on top of my chest and facing up toward the ceiling. My cock was deep in her ass now and the dildo was firmly in her pussy. She grabbed the base of it and pushed it in and out of her while I lifted her by the hips and gently wiggled my cock around inside her tight ass giving Monica her first double penetration.

I rolled us over on our sides and reached around to take control of the dildo and grabbed it by the base and worked it in and out of her pretty fast. It must have been an incredible feeling for her. Finally, I let go of the dildo, lifted Monica's legs up into the air and exploded into her ass. The tight grip of her sphincter made it even more intense and I could feel my cock pumping harder as my balls drained completely. I rolled Monica onto her

side and felt her tight ass muscles slowly push me out. The dildo was still buried deep in her pussy and she pulled it out nice and slow. We held it between us and talked about how we felt using it. Monica was all for it and said she would do it again and again if I was okay with it. I told her I was and said I didn't even mind her using it when I wasn't there.

We both needed something to drink after that session so I went to the small fridge in the room and took the mini bottles of wine. On top of the fridge I noticed some leftover packaging that had been left on it. I gathered it up to throw it out and

noticed two cock rings amidst the cardboard and plastic. I looked at them for a moment and slipped one on around the base of my cock and behind my balls. Almost immediately I started to get hard again.

Smiling to myself, I went back upstairs and stood by the bed right in front of Monica's face. She saw I was hard again and reached out to grab my cock. I guided her hand to the ring and she felt it, looked up at me and smiled. "I never thought you'd be a fan of sex toys," she said as she pulled my cock into her mouth. "I am now!" I said.

I have so much free time now that I quit my regular job and have taken up sex as my new job. I don't work 9 to 5 any more. I work whenever I want and have much more fun doing it.

Misty

I meet new people, go to new places, and I get to try different positions with different cocks! And one of the great things about my new job is that I can write my lingerie off as a business expense. Cool!
